

Vendor Proposal

Prepared for internal procurement demo review

Vendor:	Acme Analytics
Service:	Customer analytics SaaS
Department:	Sales
Annual Cost:	\$48,000
Contract Term:	12 months

Proposal Overview

Acme Analytics proposes to provide a customer analytics SaaS platform for the Sales department. The service includes dashboards, reporting workflows, and customer activity insights used by sales operations and account teams.

Commercial Terms

- This agreement will automatically renew at the end of the initial contract term unless cancelled according to the notice requirement below.
- Cancellation requires 60 days notice before the renewal date.
- Liability capped at 3 months of fees for claims arising under this agreement.

Data Processing

Vendor processes customer data to deliver analytics, reporting, segmentation, and dashboard functionality. Customer data may include sales account records, customer interaction history, and usage metrics uploaded or connected by the Sales department.

Acceptance

By approving this proposal, the customer confirms that the subscription details, commercial terms, and data processing description above are acceptable for demo procurement review.
